Wax Options

Mineral Wax Blend

A blend of natural & paraffin wax with excellent qualities, slightly off-white creamy colour and excellent high quality finish and a smooth level top. Cruelty Free & Vegan Friendly

Soy Wax

All natural soy wax with no additives, a great wax with a smooth level surface. With soy wax not every candle would be identical and sometimes has more of a rustic finish. Cruelty Free & Vegan Friendly

Blended Soya & Beeswax

A premium grade 100% natural blended mineral wax, with soya, rapeseed and beeswax. Slightly off-white creamy colour and excellent high quality finish and a smooth level top.
